LITTER ABATEMENT DOCUMENTS

Dear Sanitation Customer:

In accordance with Section 138-58(a-c) of the City of New Orleans Code, you are required to pay a Litter Abatement Charge in lieu of the monthly Sanitation Service charge. The Litter Abatement Charge for non-residential and multi-residential property is **\$125.00** per year or **\$5.00** per unit, per year, whichever is greater.

Enclosed are the Litter Abatement affidavit and application for exemption of the payment of the Sanitation Service Charge. The forms must be completed **annually** and returned with the appropriate Litter Abatement payment made payable to the Sewerage and Water Board. All **renewals** must be completed by March 31st of that year to receive an abatement for the months January - March. Applications received on April 1st or later will only apply to that month's Sanitation Service Charges and the remaining months of that calendar year.

Failure to remit the completed **renewal** documents by March 31st will result in the restoration of monthly Sanitation Service charges on your bill.

Please note any change of name, mailing address, account numbers, etc. on the application.

The following check list is provided to ensure remittance of all necessary documents:

1. Litter Abatement Application fully completed and signed.
2. Notarized Affidavit Form
3. Appropriate Litter Abatement fee (Payable to Sewerage and Water Board)
4. Service agreement from private trash removal company.
