Traffic Advisory –5200 Block of Magazine Street

Residents, businesses and motorists are advised that customers traveling in the river bound lane on Magazine Street between Bellcastle Street and Dufossat Street will experience traffic delays on Wednesday morning, March 23, 2016 from 9 a.m. until 1 p.m. while CES, working for Sewerage and Water Board, gather information by performing a TV inspection of our sewer line.

Motorists traveling in the river bound lane of Magazine Street are advised to turn right onto Nashville Avenue then turn left onto Tchoupitoulas Street and another left onto Napoleon Avenue to avoid interference with work crews.

We appreciate your patience as we work to improve the City's infrastructure.
