We're Improving Your Water System- NOPD/ Municipal Court Complex

Contractors working for the City of New Orleans at NOPD Headquarters will be making repairs to facilities in the headquarters building.

Residents and businesses on Perdido Street between S. Broad Street and S. Gayoso Street will experience low water pressure on Saturday, May 21, 2016 from 8 a.m. to 12 noon.

We appreciate your patience as we work to improve the City's infrastructure.

** Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.
