EMERGENCY REPAIR **We're Improving Your Water System- New Orleans East**

Residents and businesses in New Orleans East may experience low water pressure on Friday, July 22, 2016. A water main was struck on Grant Street this morning. Sewerage & Water Board crews are on the scene, working to repair the break.

Customers experiencing low water pressure should call 52-WATER ([529-2837](tel:529-2837)) to report a problem.

An update will be given as repairs progress.

We appreciate your patience as we work to improve the City's infrastructure.

** Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.
