## **We’re Improving Your Water System/ Traffic Advisory – Jefferson Avenue**

Contractors, working for the Sewerage and Water Board and the U.S. Army Corps of Engineers, will be performing permanent roadway placement.

Residents, businesses and motorists are advised that parking will be unavailable on Jefferson Avenue beginning on Wednesday, September 7, 2016 from 7 a.m. The work is scheduled to be completed on Monday, September 12, 2016.

All vehicles should be removed from the north and south bound parking lanes on Jefferson Avenue between Constance Street and Dryades Street. The northbound traffic flow for Jefferson Avenue will be maintained during this portion of the project.

This work is part of the \$46.2 million SELA Urban Flood Control Project Jefferson Avenue Phase II.

### **The street affected is listed below:**

<b>ON</b>	<b>FROM</b>	<b>TO</b>
Jefferson Avenue	Constance Street	Dryades Street

We appreciate your patience as we work to improve the City’s infrastructure.

\*\*Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.
