Sewerage and Water Board Water Dogz Compete at WEFTEC Conference

The Sewerage and Water Board's Water Dogz will compete against other water utilities from across the United States in challenges related to Process Controls, Laboratory Testing, Collection System Repairs, Safety and Pump Maintenance during the 2016 WEFTEC Conference that will be held in Hall F at the Ernest N. Morial Convention Center the week of September 26-30, 2016.

The Water Dogz, the current Louisiana Water Environmental Association champions, are an all employee competitive team consisting of various individuals who work in various areas of the Board. The areas they work in include Networks Repairs, Networks Engineering, Water Quality and Environmental Affairs. The competitions are designed to test the diverse skills required for the operation and maintenance of water and wastewater treatment facilities, their collection systems and laboratories.

The competitions will be held as listed below:

Monday, September 26, 2016

Process Control Event 10:00 a.m.

Laboratory Event 1:00 a.m.

Tuesday, September 27, 2016

Collection System Event 10:30 a.m.

Pump Maintenance Event 2:30 p.m.
