We’re Improving Your Drainage System – Almonaster Street

Sewerage and Water Board will perform drainage work on Almonaster Street. Renda/Johnson Brothers Company, working for Sewerage and Water Board and the U.S. Army Corps of Engineers, will be **constructing a new box culvert to enhance the drainage in the area.**

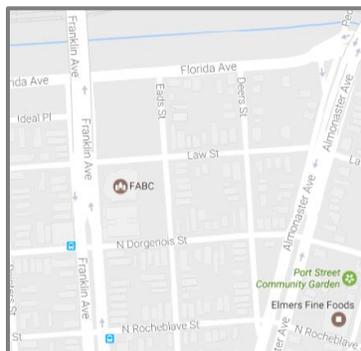

Residents and businesses in the 2500-2600 block of Almonaster between Florida Avenue and N. Dorgenois Street will experience low water pressure on Friday, March 7, 2017 from 8 a.m. to 6 p.m. This work is part of the \$147.5 million Florida Avenue Canal Phase 4- SELA Drainage Project.

Streets affected are:

ON	FROM	TO
Almonaster Street	Florida Avenue	N. Dorgenois Street

We appreciate your patience as we work to improve the City’s infrastructure.

**Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience. http://www.swbno.org/news_pressreleases.asp.
