## **LOW WATER PRESSURE**

Residents and businesses in the Venetian Isles area will experience lower than normal water pressure of Saturday and Sunday, October 18 and 19 from 8 a.m. to 4:00 p.m. while the Sewerage and Water Board repairs a series of hydrants in the area. This work is being performed as a result of damage caused by Hurricane Gustav and the resultant tidal surge and flooding.

Streets affected Saturday:

San Travaso  
Trieste  
San Remo

Streets affected Sunday:

West Alba  
East Alba  
Francesco Road
