Traffic Advisory – Leonidas Street at S. Claiborne Avenue

Residents, businesses and motorists are advised that the north side of Leonidas Street at the intersection of South Claiborne Avenue will be closed to vehicular traffic for eight months, beginning Tuesday, January 20, 2015. South Claiborne will remain accessible via Cambronne, Monroe and Eagle Streets.

Cajun Constructors, Inc. working for the Corps of Engineers and the Sewerage & Water Board of New Orleans is replacing two water mains, a 36-inch and a 48-inch that are integral parts of the Board’s water distribution system.

This work is part of the SELA South Claiborne Avenue Drainage Improvement Project.
