Traffic Advisory – 900 block Orleans Avenue

Residents, businesses and motorists are advised that the 900 block of Orleans Avenue between Dauphine Street and Burgundy Street will be closed to local access and through traffic beginning on Monday, April 13, 2015 until the end of June, 2015.

Boh Brothers Construction Company will install a new water line to serve the area. Construction crews will be working from 7 a.m. to 5:30 p.m., Monday-Friday. Saturday work may occur, when necessary.

Everyone should exercise caution when driving, cycling or walking near the construction site.

This work is part of the \$183 million Sewerage & Water Board/FEMA Funded Waterline Replacement Program.
