Traffic Advisory Magazine Street at Louisiana Avenue

Residents, businesses and motorists are advised that beginning today, Tuesday, June 30, 2015 a traffic lane shift will be implemented for Magazine Street at Louisiana Avenue. Lanes will be shifted to the north (lakeside) until Thursday and shifted to the south (riverside) on Friday. Traffic will return to normal on Friday.

The traffic shift will allow for a new waterline tie-in. The work is being performed by Boh Brothers Construction Company for the Sewerage and Water Board and the Army Corps of Engineers. The work is related to the Louisiana Avenue Drainage Canal Project.
