Low Water Pressure – Cherokee Street (Dominican and Benjamin)

Residents on Cherokee Street between Dominican Street and Benjamin Street are experiencing low water pressure at this time due to an unexpected break in a water line that serves the area.

A contractor working for the Sewerage and Water Board is on the site of the break. The repair is expected to take approximately two hours for completion.

Streets affected are listed below:

ON	FROM	TO
Cherokee Street	Dominican Street	Benjamin Street

St. Charles Avenue at Cherokee Street

Hurst Street at Cherokee Street
