Low Water Pressure/Traffic Advisory – Uptown, French Quarter and Warehouse District

Residents, businesses and motorists are advised that customers in the Uptown Area, French Quarter, and Warehouse District, will experience low water pressure on tonight from 9 p.m. to 5 a.m. Tuesday morning, September 22, 2015 while Sewerage and Water Board crews repair a 42" and a 48" water main.

Motorists are advised that a left turn onto Earhart Boulevard from S. Claiborne Avenue will not be allowed while work is in progress. All traffic will have to turn right onto Earhart Boulevard.
