Traffic Advisory – N. Rampart Street (From Canal Street to Dumaine Street)

Residents, businesses and motorists are advised that the eastbound side of N. Rampart Street at Canal Street will be closed to vehicular traffic. This closure will begin at 6 p.m. on Tuesday, November 10, 2015 and end at midnight.

Wallace Drennan Construction Company, working for the Sewerage & Water Board of New Orleans, will perform a sewer main tie-in.

A full road closure on N. Rampart Street eastbound will expedite the emergency repair. The detour route is from Canal Street to N. Claiborne Avenue to Esplanade Avenue.

The Affected Street:

ON	FROM	TO
N. Rampart Street (Eastbound)	Canal Street	Dumaine Street

We appreciate your patience as we work to improve the City's infrastructure.
