## **Low Water Pressure – Joseph Street (Between Prytania Street and Coliseum Street)**

Residents and businesses on Joseph Street between Prytania Street and Coliseum Street will experience low water pressure on Thursday, December 3, 2015 from 9 a.m. until 5 p.m. Cajun Construction Company, working for the Sewerage and Water Board, will be performing a tie-in of an 8" water line that serves the area.

We appreciate your patience as we work to improve the City's infrastructure.
