We're improving your water system- Arabella Street

Residents and businesses on Arabella Street between Pitt Street and Coliseum Street will experience low water pressure on Wednesday, January 20, 2016 from 8 a.m. until 2 p.m.

Cajun Construction Company, working for the Corps of Engineers and the Sewerage and Water Board, will be performing a tie-in of an 8" water line that serves the area. This work is part of the \$46.2 million Jefferson Avenue Canal Phase II, SELA Urban Flood Improvement Program.

The affected streets will be:

ON	FROM	TO
Arabella Street	Pitt Street	Coliseum Street

We appreciate your patience as we work to improve the City's infrastructure.
