Low Water Pressure – Emergency Repair

Residents and businesses in the Mid-City area extending out to the CBD and French Quarter may be experiencing low water pressure at this time.

The Sewerage and Water Board is on the scene of a water main break in the Bayou St. John area.

Sewerage and Water Board engineers and crews are on the scene working to locate and repair the line. This notice remains in effect until further notice. We will update this situation as information is made available.
