We're Improving Your Water System/ Traffic Advisory- Earhart Boulevard

Residents, businesses, and motorists are advised of a traffic lane shift on Earhart Boulevard at Magnolia Street beginning at 9:00 a.m. until Noon, Wednesday, February 17, 2016.

Sewerage and Water Board crews will be working on several valves connected to a 30" water main. Traffic on Earhart Boulevard will be shifted to the north side (lake side) of the intersection while work is performed on the south side (river side). Afterwards, traffic will be shifted to the south side of the intersection while work is performed on the north side.

We appreciate your patience as we work to improve the City's infrastructure.
